Registration for Spectacular at Graceland University is now open!

You may not recognize the picture above, but that was fireworks at SPEC behind the Admin building. To check out what happened last year, click on the blue link here:

[See what SPEC was like last year!](#)

We are ready to have a Spectacular time at SPEC again this year! I hope you and/or a loved one are planning on coming. If you haven't been before, don't miss this opportunity to join with almost a thousand other youth from all over for a week of fellowship, good food, sports, music, worship, drama, arts and so much more. To be eligible you just need to have completed 9th, 10th, 11th or 12th grade this year and be ready to have a great time and meet a lot of interesting people.

Concerning Covid, things may change before camp, but here is what you need to know now:

- 1. Vaccines are Not required.**
- 2. Masks may be required in some areas. We will have a limited supply, but it would be best if you bring your own.**

3. You must check in with a normal temperature and be symptom free.
We have two great Delegation Leaders again: Jacob Romig, romigscience@gmail.com and David Watson (Houston), dcwatsontx@sbcglobal.net
Be sure to contact them if you have any questions.

The link for registration is right here (I double checked and it is the correct link :)):

SPEC Registration link

SPEC begins on Saturday, July 15 at Graceland University, but we will meet at Carrier Parkway congregation in Dallas on Thursday evening, July 13 to start our trip up to Graceland. We will have vans to pick you up at various places around Texas and bring you to Dallas. We will return to Dallas at the end of camp Saturday night, July 22. We have tried to keep expenses down, but we had to increase the cost slightly to \$650. Don't forget that camperships are available.

Don't miss this opportunity to explore what can happen at SPEC. It really can be life changing and a lot of fun.
