

Youth Camp Director Exit Survey, 2019

The Camping Committee cannot begin to express our thanks for all the time, effort, and level of commitment you have displayed by volunteering to be a Camp Director. It can be delightful and maddening, all at one time. There are always things that come up during camp that you can't possibly be prepared for. However, you have learned that everything is possible with God and a great support staff.

The purpose of the Exit Survey is for you to be painfully honest about things that went wrong and to share things that were wonderful. We cannot improve how we support you unless we know what needs weren't met in your planning and during the actual days of camp.

Just fyi, this is my (Carla Cox) last summer as Camping Committee Coordinator. Someone who hasn't been named as of yet, will be taking my place next September. I will be here in my full capacity for the rest of the camping season to support you. Please reach out!

- 1. Were there staff members that you would suggest that we think twice about asking/allowing to come back? If yes, who and why?**
- 2. Were there campers that caused more than normal disruptions? If yes, who and how?**
- 3. How was the food? Was there enough? Do you feel like special diet needs (beyond picky eaters) were taken into consideration?**
- 4. Was Rudi Pollenbauer (campground manager) contacted regarding anything that was in need of repair and was it taken care of in a timely manner?**
- 5. Were all cabins in good working order (bathrooms, hot water, air conditioner, lights, etc)?**
